“Maray” is a unique property illustrated by Home Beautiful after completion in 1975 as “Home of the Month” and architecturally designed by renowned Architect Ken Young. Built over two levels with floor to ceiling windows to take in the sweeping views of Lake Hume and surrounding hills. Offering 5159sqmtrs (approx.) of undulating land on the fore shore at Ebden, 18km from Wodonga City centre. The first level of the home offers 2 bedrooms serviced by a family bathroom and a generous open plan living, dining and kitchen that flows seamlessly on to a stunning entertainers’ deck with un surpassed views of the lake and sparkling in ground salt water pool. Downstairs is a further 2 living zones and a guest bedroom serviced by an ensuite. A double garage and carport with additional workshop/shed adjoin the home. Additional shedding by way of a powered 5 bay shed covers all storage requirements. Extensive rainwater tanks and bore water allows for an endless supply and a 5kw solar system keeps energy bills in check. This unique property is nestled into beautifully established shady gardens with panoramic views that can only be truly appreciated on inspection.
