Perched on a peaceful 5-acre spread, just a short 13-minute drive from the heart of Gympie CBD, this Queenslander is more than just a home - it's a slice of country paradise, beckoning a new owner to step into its welcoming embrace. Accessible via a solid bitumen road, the property offers a blissful escape into the heart of rural living. The Chamferboard Queenslander, boasting gleaming polished hardwood floors, showcases a modern country kitchen and retains its original French doors, embodying a timeless, country home charm. All weather covered with air-conditioning for the summer and crackling wood-burning fireplace adds a touch of warmth for the winter, creating a cozy haven within. Step onto the front and side verandahs, where you can kick back and soak in the ambience of the surrounding countryside. A sizeable dam graces the land, providing a refreshing watering hole for the resident cows that currently call this place home - though the choice is yours when it comes to the occupants of this pastoral haven. Additional living space at the back spills out onto a welcoming deck, creating the perfect spot to unwind and savor the slow pace of country living. A sturdy shed, perfect for sheltering your trusty vehicles and cherished toys, stands tall on the property. Multiple animal pens and a collection of raised vegetable gardens add to the homely, rural feel, and established fruit trees dot the landscape, offering a taste of nature's bounty. The scene is completed by a scattering of sheds, including a spacious 10x9m powered shed with a partly concreted floor, a 2-bay open high-clearance shed, and a 7.5x2.5m powered, lockable shed with an attached 7.5x3.5m gravel carport. A 6x4m open potting shed and a small garden shed round out the functional layout. Quenching your water needs are a pair of tanks adjoining the sheds, collecting a total of 69,000 litres of rainwater. Plus, a 5kw Solar System has already staked its claim, ensuring a sustainable and pocket-friendly lifestyle. This Queenslander, steeped in history and surrounded by the rustic beauty of the countryside, eagerly awaits its next caretaker - someone who cherishes the tranquility and character that define this unique country property.
