Welcome to Aylesbury Manor, the epitome of luxury country living! Spanning over 50 acres of elevated land, this deluxe horse property is truly a dream come true. With two meticulously designed residences boasting top-of-the-line fittings, high ceilings, and multiple living spaces, this estate offers the ultimate in comfort and style. The spacious 746sqm main luxury family home is nothing short of spectacular. With soaring cathedral ceilings, abundant natural lighting, and four spacious bedrooms plus a grand master suite with walk-in wardrobe. Immerse yourself in the movie theater, take a dip in the stunning pool, or simply enjoy the immaculate gardens surrounding you. But it doesn't stop there. Aylesbury Manor is also a fully equipped thoroughbred Horse Property ensuring that both you and your horses are living in luxury. The stables have been crafted with the finest European design, seamlessly blending elegance with functionality. Not only does this property offer opulence, but it is also equipped with solar power, rainwater storage, bore water plus a large dam for the horses and gardening. This fully fenced property has electric fencing and 11 paddocks in total, you can easily accommodate your horses and ensure their safety and comfort. Situated conveniently between Brisbane and the Gold Coast, this is an unprecedented opportunity to own a truly extraordinary acreage property. Don't miss out on the chance to experience luxury living combined with the perfect environment for your horses. Contact us today to arrange a private viewing and secure this once-in-a-lifetime property opportunity.
