Meticulously renovated from top to bottom, this immaculate three bedroom, two bathroom residence is positioned on a generous allotment of approximately 492m², perfect for the growing family. Warm and inviting, the interiors are spacious and well-designed for twenty-first century living. At the heart of the home, the sunny kitchen/living/dining space offers stone benchtops and splashbacks, ample soft-close white cabinetry, two door pantry, double sink, microwave space and Westinghouse appliances including oven, cooktop and rangehood. All generous bedrooms feature mirrored built-in robes and share two pristine bathrooms complete with stone benchtops, toilets, rain showers, one being a double. One bathroom incorporates laundry facilities and a bath for family living. The enormous north facing backyard boasts a generous undercover entertaining area, lush lawn for the kids to kick the footy and a substantial shed with power connected, which would be ideal for that much desired man cave or retreat. Complemented by high ceilings, heating/cooling, double roller blinds, intercom, auto front gate and plenty of off-street parking, it's close to Keilor Rd trams, shops, walking distance to beautiful Lincoln Park, zoned to Buckley Park College and provides easy access to all major arterials.
