Unearth a serene living experience only paces from Patterson River with this private two bedroom villa perfectly tailored to enchant those seeking a lifestyle of utmost privacy and seclusion. Holding a cherished address only moments from Carrum and Patterson Lakes, the best of both worlds contrasts village living with major retail convenience. A rear position within an exclusive complex of only four, the home welcomes entertaining across an open rear domain where a wall of windows enlightens both living and dining dimensions. Showcasing a generous indoor/outdoor footprint for a home of its size, summertime entertaining is a success with an adjoining sun-drenched patio set within a courtyard garden. A practical kitchen design encourages culinary passions, with stainless steel appliances, dishwasher, breakfast bar and stone benchtops. Thoughtfully crafted to fulfil the desires of both the young and old, the home comes complete with two robed-bedrooms with shared access to a central bathroom complete with tub, oversized shower and private toilet. Gas ducted heating, generous laundry with rear access, and a single garage with additional storage space. With major arterials and public transport only minutes from home, an easy city commute is confirmed with Carrum Train Station and the Mornington Peninsula Freeway within easy reach, whilst cafes and restaurants, walking trails and recreational reserves all enhance a riverside lifestyle.
