This one bed, one bath unit is located in the quiet and sought after Moore Creek Gardens estate. The unit provides plenty of storage with a large built in wardrobe in the bedroom and separate linen cupboard. A split-system in the living area provides heating and cooling year-round and the bedroom includes a ceiling fan for extra comfort in the summer months. The private backyard is secure and low maintenance with new turf taking root. ****Please Note**** We request applications prior to inspecting our properties, please submit an enquiry for further information.
