Tucked away from view is this two storey private oasis (no strata), with a relaxed Tuscan feel. Your own courtyard leads to two sets of beautiful timber framed double doors providing seamless access to an open plan kitchen, dining and lounge area perfect for entertaining. Functionality is key, with a small toilet and vanity placed downstairs for family and guests to use. A modern staircase leads you upstairs to the master bedroom with its own ensuite and private balcony to enjoy a glass of wine after work. The remaining two bedrooms share the main bathroom which provides a view of the city lights while taking a shower! All rooms are fitted with split system air conditioning to keep the temperature just right all year round. Outside, the home is surrounded by reticulated easy care gardens and your own private walkway leading to Sydney Street and the newly created children's play park directly opposite. The laneway at the rear of the property provides access to your secure double garage with an adjoining storage room. Working in the city, studying at Edith Cowan Uni or the WA Academy of Performing Arts is made easy with bus stops on Charles Street ensuring a quick trip and no parking fees! For the evenings and weekends you are within walking distance to foodie hubs in Mount Hawthorn and Oxford street Leederville for a great night out, and no less than six fantastic cafes for brunch. Be quick to arrange an inspection of this secluded yet convenient gem.
