Presiding over panoramic vistas across the valley, this contemporary home has been beautifully designed for a modern family's lifestyle; the dual level layout invites the outdoors in at every turn - expansive decks merge entirely with the open plan interiors, while extensive glazing frames the spectacular views. This home is all about relaxed elegance; the design features a full complement of premium-quality appointments and finishes from the polished Blackbutt floors, custom-built bookshelves and gas fireplace, to a stunning island kitchen just off the deck. It's a phenomenal landholding in one of the area's most desirable pockets - bordering Strickland State Forrest, the 923sqm parcel is fully landscaped and within moments of quality schools, Narara train station and easy access to the M1 motorway.
