With 10% of our sales last year selling to a buyer on our database before going to market, off-market is strong method of sale. Off-Market can be helpful if you:

- Want to reduce marketing costs, campaign time and open homes
- Want to keep you (or your home) out of the public eye
- Don't want neighbours knowing what you're up to

If you're ready to sell or just thinking about it, chat to the team that has been there, and done that. We look forward to hearing from you!
