On the north-east wing of the esteemed 'Tara' building, this private penthouse level apartment captures a spectacular elevated outlook that sweeps up Coogee Beach to Clovelly headlands and over to the city skyline. Wrapped in windows, each major room captures a city or ocean aspect offering up some of Coogee's best views. Illuminated in natural light and with lovely sea breezes rolling gently in from the balcony, the apartment features only one minor common wall. Occupying the best position in its admired building and presenting an enviable beachside setting, this is a rare opportunity to obtain a truly special Coogee property with never-to-be-built out views.
