MAGNIFICENT LIVING TOUCHED WITH REMARKABLE VIEWS TO RE-SETTING YOUR LIFE!

Impressively set across a single level, this elegantly modern home with views across flat lawns to Walsh's Pyramid, all tucked in to a quaint, yet stylishly understated facade.

Designed with purpose, dual open plan living and dining flow through from the front of the home to the rear, assisted by expansive use of windows, sky lights and large glass doors to bring the outside in and allow you to entertain as you like. Whether relaxing on the massive outdoor entertainment area enjoying the view and an evening glass of wine, inside by the stunning craftsman's kitchen enjoying the enticing aromas of dinner, you and your family will be spoilt for choice.

Expanding out from this central hub featuring stunning timber cabinetry, an abundance of lush, cool stone tops, the northwest wing features 3 light & spacious, built-in bedrooms, and the spectacular main bathroom, with separate shower and deep soaking tub. Bedroom 4 is currently built-in as a full size office, with room for multiple stations and relaxation area.

To the northeast of the foyer, the master suite offers an opulent size with a decidedly practical layout, of the likes we have rarely had the pleasure of offering in a home, with the main robe spacious enough for the fussiest of dressers, a sensual colour palate in the ensuite and direct patio access to step out and enjoy from the moment you awaken.

Beyond the home itself, there is internal accommodation for 2 vehicles and so much storage, in addition to a detached, separately powered, shed with room for a boat, caravan, bikes or a workshop. The large flat lawn directly off the entertainment area, provides plenty of space for children and pets and lends to designing as you see fit, combining privacy and those impressive views. Hidden extras to round out this amazing home and give further comfort, Micro-inverter Solar System, and for our wet season the house is wired in for the 6 vault generator which powers the entire house, including A/c and washing machine, and drainage designed to cope in the heaviest of downpours keeping the home safe. Then for extra measures the exterior of the home is surrounded by a cement footway, adding ease for keeping critters out and your feet clean.

Set on over an acre of freehold, with individual side access to the fully fenced lawns and rarely a neighbour in sight, yet you remain just 30 minutes from the Cairns CBD and less than 40 minutes' drive from both domestic and international airports.

Designed and built to the highest of standards, with thought given to all conveniences, this is a home the likes of which is rarely seen in our market.

Private inspections are welcome. For more information or to arrange your viewing, contact Diane Bergey on 0404 654 345.
