\$730,000 - \$800,000

Nestled in a tranquil pocket surrounded by parklands, this stylish three-bedroom residence has been beautifully updated for modern living, offering a carefree lifestyle just moments from beautiful beaches. Beyond the lush landscaped gardens, discover a spacious lounge room enhanced by the rich warmth of hardwood floors and an abundance of natural light streaming through large windows. The contemporary kitchen will make cooking a pure joy with its trendy black appliances, including an induction cooktop, pyrolytic oven and dishwasher, ample bench space and stylish stone surfaces. Outside, the large private backyard beckons with rolling green synthetic turf, requiring minimal maintenance and providing the perfect backdrop for leisurely weekends. Here, you'll enjoy relaxed dining and entertaining on the covered alfresco deck with its twinkling festoon lighting and café blinds. The serenity and style continues upstairs, where three bedrooms await, including the master retreat with a private balcony overlooking the picturesque reserve and walk-in robe. The semi-ensuite dual access modern bathroom exudes pure bliss with a double vanity, complemented by a separate toilet, while a convenient second toilet resides off the downstairs laundry. This attractive home is also well-equipped with multiple split systems, ceiling fans, a single remote garage and extensive visitor parking. A brilliant lifestyle location; walking and cycling tracks, Bicentennial Park and the wetlands are at your doorstep, along with schools, cafes, transport links and pristine beaches all within easy reach. All enquiries must include a contact number. For more information, please contact Ben Connolly on 0407 895 796.
