Step into the past with this captivating brick beauty that embodies the charm of the 1980s. Situated on a generous 1004m² block, this home offers ample space and a unique nostalgic appeal. Boasting 4 bedrooms and 2 bathrooms, it provides a comfortable living experience for families or guests. The multiple living zones create versatile spaces for relaxation and entertainment, while the ducted heating, 3 gas wall heaters, and split system ensure year-round comfort. The well-appointed kitchen features a step-in pantry, providing ample storage space. The extremely generous laundry area adds convenience to everyday tasks. External awnings provide shade and energy efficiency. With a 2-car garage (7mtr x 8mtr oversize), parking is a breeze, and the home's proximity to the town center makes accessing amenities effortless. What truly sets this property apart is its unlimited potential. Whether you desire to maintain its retro charm or embark on a modernization journey, the choice is yours. With its expansive block, there is ample room for outdoor living, gardening, or even expanding the existing structure to suit your lifestyle. An incredible opportunity to live close to town center.
