On the edge of inspiring natural wetlands with walking trails to nearby Point Cook Coastal Park, this family home is ideally placed between vibrant Sanctuary Lakes Shopping Centre and the beautiful beach. Showcasing large proportions across two sophisticated levels, sweeping views stream into every corner. Ideal when working from home, the study enjoys a front-row position, extending through to the generous living/dining room with an under-cover alfresco and expansive backyard. Engage with your inner gourmet in the kitchen, featuring a view-focused window splashback, stone surfaces and premium appliances. With no through traffic, upstairs is very peaceful. The spacious retreat leads to four bedrooms and two bathrooms, including the master with walk-in robe, stone dual-vanity ensuite and a stunning vista. Comfortably designed with ducted heating, evaporative cooling and a double auto garage with internal entry, it's an easy walk to Alamanda K-9 College.
