QUINTESSENTIAL QUEENSLANDER

This high set quintessential Queenslander home is perfectly positioned on a generous 2.71 acres in a sought after rural/residential pocket.

If privacy is your preferred lifestyle choice you will be more than content here with only one neighbour, a sugar cane field to the northern side, a creek at the rear and glorious panoramic mountain views from your front veranda.

Characteristic of the Queenslander style, the spacious and deep veranda spans around the entire residence. Protected from the elements and effectively adding to the liveable floor space, the wide generous expanse provides multiple versatile zones to enjoy the peaceful surroundings. Greet the day and sunrise with a coffee overlooking the mountains, unwind in the shade and breeze at cocktail hour, or rejoice & entertain all year round alfresco style while soaking in breath-taking sunsets.

This charming home features a high ceiling, open floor plan and ample cross - ventilation for passive cooling. Polished timber floorboards throughout add texture and character.

Conveniently located, the primary suite enjoys generous dimensions, has a walk-in robe and en-suite. At the opposite end of the home, the three other bedrooms are also ample in proportions and have built in robes. These are all serviced by a family bathroom, separate w/c and laundry with built in storage solutions. Ideal for any family seeking a more relaxed lifestyle in a classic Australian architectural style home perfectly designed for the tropics where you will enjoy a breeze all year round.

The most sought after state school in the Douglas Shire is a mere 3 minute drive, Mossman is only 10 minutes away and with access to the Great Barrier Reef from the Rocky Point boat ramp just 2 minutes away your weekends will be filled with family fun and adventures.
