As you walk up the concrete driveway past the double lock up garage, you enter this large refurbished four-bedroom home. Other features of this great property include, ensuite with bath and shower; a large open plan lounge/dining and family sitting room area. The new kitchen offers an island bench, with pantry, electric appliances and a clear view overlooking the inground pool with spa. A spacious walk-in linen press and each bedroom has built in robes and new carpets. All living areas throughout the home are newly tiled and make for easy cleaning. To add to this property there is a 7.5m x 7.5 m (approx.) colour bond shed (with removeable middle section) to enable a larger door opening if required. There is side access, and the home is situated on an 822m² parcel of land which is fenced.
