Offering affordable living, the perfect investment or an ideal first home, this large and original 70s home sits on a generous corner allotment of approx. 685sqm with every Kyneton amenity within easy reach. A luxurious home when it was built, the solid brick home is a perfect family home or a very secure investment with a great tenant currently in place. The retro vibe delivers spacious rooms and a delightful original feel. There are three separate living areas, formal lounge/dining and a good kitchen/family room with large north-facing windows. The three bedrooms are all spacious with BIRs and the main bedroom with an en-suite. A large study could lend itself as a fourth bedroom or the perfect work from home space. Giving year-round comfort, the home features ducted heating throughout, dual driveway access, a single lock-up garage, double and single carports and plenty of off-street parking. Within walking distance to both the secondary and primary schools, Kyneton hospital and easy access to the freeway, this is a solid opportunity whichever way you look at it.
