Possessing superb street appeal and located a level 400m stroll from Corbett gardens, this double brick beauty is the perfect package - level living, an easy amble walk to town, nothing to do but move in and enjoy the renovated delights of this beautiful old dame. There's enough of a garden to entertain and enjoy but not too much to maintain for those seeking a comfortable, easy-care lifestyle with style, history and grace. Three bedrooms, two bathrooms, a separate formal dining room with external access to the return verandah and an open plan kitchen/family room and a separate double garage are the offerings here. Central heating, air conditioning and requisite period features intact including beautiful original floorboards and high ceilings. Freshly painted, recarpeted and ready for the next custodian. Its recent exposure as an Airbnb has commanded immediate attention ensuring an excellent potential return for those seeking an investment for their future. -Three bedroom home, bedrooms 1 & 2 with built-in-robe and bedroom 3 with custom joinery wall-Two bathrooms, both with custom vanities-Ducted gas central heating with electric cooling-Formal dining room has external access to verandah-Two car garage with auto door-Galley kitchen with 40mm stone benchtop and pantry cupboard-Plantation shutters throughout home, roman blinds in livingCall Sarah Wotton 0412 338 891 or Amy Bregonje 0488 092 400
