Introducing a marvellous mid-century beauty in the coveted Tintern precinct, this 5-bedroom home on approximately 586sqm effortlessly integrates the splendour of nature with stunning views of the Mount Dandenong Ranges. Offering a spacious sanctuary for a large or multi-generational family, it's peacefully placed within a well-connected neighbourhood that's zoned for Eastwood Primary School and Ringwood Secondary College. The location also enjoys proximity to parks, bus stops, the vibrant shopping villages and train stations of Ringwood East and Heathmont, Eastland, EastLink, recreational facilities and private educational institutions including Tintern Grammar and Aquinas College.- Nestled amongst native and subtropical gardens, the home offers a calm sense of seclusion and serenity complete with front and rear courtyards for you to fully embrace the tranquillity- Within its walls, the home radiates warmth and personality, featuring a tiered floorplan that has been sympathetically updated in consideration to its character- Taking full advantage of its breathtaking hillside vistas, the top floor of the home hosts a formal lounge with a connecting balcony and a dining room adorned with a corner window- The large central kitchen boasts an abundance of storage and countertop space, a gas stove, electric double ovens, a rangehood and dishwasher- An adjacent meals area invites you to devour dishes with loved ones- Three of the home's generously-proportioned bedrooms are situated off the first-floor corridor. The extra-large master suite has a fully fitted-out walk-in wardrobe and an en suite. The two other bedrooms share the use of a full-size communal bathroom- The ground floor of the home has internal and external entry points, creating a private environment that can be relished by grown children, grandparents or those who run a business- Two additional bedrooms with built-in wardrobes are situated on this floor, along with a second communal bathroom and an enormous family room with extensive built-in cabinetry, shelving and rear courtyard access- The under-house workshop is a discrete space where tools and equipment can be neatly stowed away- Complete with zoned hydronic heating, refrigerated air conditioning, block-out drapes, ducted vacuum, a large laundry with chute, lavish amounts of storage space, solar roof panels, two water tanks and a double carport, this home is a feature-packed haven awaiting your family's enjoyment
