Price guide \$2,200,000

Framing gorgeous northeast vistas across Pittwater, this simple lifestyle cottage has been utterly transformed into a contemporary retreat that's brimming with charm and style. Setting the stage are polished interiors paired with a crisp, white colour palette, while the massive front deck creates an irresistible, indoor/outdoor vibe; sliding stacker doors extend the aesthetic to the very centre of the cottage. Cosy and super-stylish, it's single level layout and smartly finished interiors are in perfect sync with a relaxed Pittwater lifestyle.- Sparkling interiors with a fresh, white-on-white theme throughout- Integrated living and dining anchored by a wood-burning fireplace- Sunny, northeast aspect delivers phenomenal views across Pittwater- Vast, wraparound deck offers alfresco/sheltered entertaining zones- Brand-new, skylit kitchen w/induction cooktop + chic new bathrooms- Three double bedrooms with built-ins, master opens directly to the deck- Tandem carport plus off-street parking; storage and workshop area Disclaimer: Whilst all care has been taken to ensure accuracy in the preparation of the particulars herein, no warranty can be given, and interested parties must rely on their own enquiries.
