Showcasing a captivating residence with versatile dimensions which provide an outstanding environment for every stage of modern family life all situated within picturesque west-facing garden surrounds. The three-bedroom home, recently painted, consists of built-in robes in two of the three bedrooms supported by a fully renovated modern bathroom including heated rails to keep your towels nice and warm. The kitchen boasts gas appliances with a dishwasher and lots of cupboard space. Further a laundry and separate toilet of the main kitchen area are all smartly placed in this clever floorplan. This is a comfortable family home all seasons with central evaporated cooling system, an additional air-con in the main living area and a high-capacity gas heater that will surely keep the entire home warm in winter. Outside, pride yourself on the huge entertaining area with two mounted heaters, allowing you to entertain all year round whilst looking out at the abundant fruit trees and convenient garden shed. The property also has a secured gate which leads to the back yard and a car spot and also off-street parking. This residence is just a short 4-minute walk to Buckingham Reserve - one of five Flagship Parks that Council has developed through the ongoing implementation of the Creating Better Parks strategy. Need to catch a train? Only a 5-minute drive or 15 minutes' walk to Sunshine Station. Don't wait, contact us today to inspect this property - it will not last long!
