Nestled behind a picket fence, this bright and welcoming three-bedroom brick beauty offers the perfect opportunity for first home buyers and young families, perfectly placed within walking distance of the train station, schools and spectacular beaches. Flooded with natural light through large-scale windows and graced with polished timber floorboards, generously proportioned open plan living and dining will impress with its green garden outlooks and split system comfort, complemented by a modern kitchen with stone surfaces and stainless steel appliances. The master bedroom is enhanced by built-in robes, while set to the rear are two further bedrooms, a stylish bathroom with walk-in shower and floor-to-ceiling tiles, chic powder room with smart touch mirror and large laundry. Occupying a fully fenced sunbathed 539m² approx. corner allotment, you'll love the generosity of outdoor space for children and pets, along with an entertaining deck, single lockup garage and adjoining carport (via Hannah Street.) Less than 300 metres across the footbridge you'll find Kananook Station, Kananook Primary School and Kananook Reserve, along with the beach in walking distance and the local milk bar steps away for daily convenience.
