This charming home still requires some works as reflected in the recent price reduction. Bright, fresh and inviting with huge deck and gorgeous leafy view, this three bedroom home has a modern heart with lovely character detail offering the ideal start for first homebuyers and young families alike. Lush peace and privacy surrounded by walking tracks delivers a lifestyle you'll love within walk of Mount Evelyn Village shops and cafes, Mount Evelyn Pre-school and Birmingham Primary. A three bedroom layout highlighted by wall panelling and exposed beams, has been recently repainted along with polished timber floors, offering a fresh neutral canvas. Awash with northern light and extending via sliding door to the deck, the kitchen/dining area and adjacent living room enjoy leafy views to the front and back yards. An ideal entertainer with treed outlook across the valley, friends and family can enjoy the view while you barbeque on the huge rear deck. Set on a large 1100m² (approx.) block delivering plenty of room for pets to roam, off street parking for a number of vehicles and the added bonus of a sound proof studio or teenage pad. Additional features include gas ducted heating and split system heater/air conditioner. Tranquil and relaxing, this treed location is just minutes' drive from Lilydale and Mooroolbark stations and Lillydale Lake.
