You will fall in love with this immaculate, character home. Full of features typical of it's era, the homes boasts varnished timber wall panelling, ornate cornices, sash windows and french doors. Three good sized bedrooms, two have built in wardrobes along with air conditioning while the spacious lounge room boasts a fire place to warm you through the winter months. The large lounge room opens up onto the front landing through french doors, this is a real standout of the architecture. The dining room flows from the lounge room which is also air conditioned and could easily be converted into a fourth bedroom if required. The bathroom is neat and tidy and the quaint kitchen has ample cupboard and bench space. The sunroom is adjacent to the kitchen and makes for a handy meals area or simply a nice sitting room. There is a ramp at the rear making access a breeze for those with mobility issues, this leads to the expansive backyard which contains a oversized, high set double carport that could easily be enclosed. The property benefits from side access, with space for a potential granny flat for extended family members or second income. The home is completed with a garden shed, single lock up garage under the home and is within walking distance to schools, Lismore Base Hospital, Lismore Shopping Square and is only a short drive to the Lismore CBD.
