Nasir Azizi

\$850,000

Built like a spacious and well-equipped double-storey brick veneer home with numerous appealing features. Let's break down the details:

Upstairs:- A spacious open plan area with polished floorboards and a split-system air-conditioner, creating a comfortable and versatile living space- Kitchen is equipped with gas cooking, offering convenience and efficiency for cooking needs- Three-bedrooms, two of them feature built-in robes (BIRs), providing ample storage space- Family bathroom includes a shower over the bath, catering to different bathing preferences and a separate toilet for added convenience

Downstairs:- Formal lounge area features a Coonara heater, offering warmth and ambiance, ideal for cozy gatherings during colder seasons- Second kitchen, with a large tiled dining area and gas cooking, providing a separate space for dining and food preparation- Two bedrooms, both equipped with built-in robes (BIRs) for storage convenience- Bathroom includes a shower and toilet, ensuring comfort and functionality for the downstairs living area

Outdoor area:- Situated on a sizable block, providing ample space for various outdoor activities and potential enhancements- Lovely gardens enhance the aesthetic appeal and offers a pleasant environment- Paved Courtyard adds to the practical and visually appealing outdoor space for relaxation or entertainment purposes

Overall, this property seems to offer ample space and functionality across two levels, making it suitable for families or those seeking flexibility in their living arrangements. The combination of indoor and outdoor features, along with separate living areas on each level, adds to its appeal.
