Perfectly located in a tree-lined street, this comfortable classic 3-bedroom brick home is ideal for the growing family and offers the potential to update and improve at your own time and leisure. Full of natural light, the home features a wide entrance hall, 3 bedrooms, a separate lounge, dining room, kitchen/meals, and a sunroom overlooking the backyard. The perfect getaway for the kids as a games or entertainment room, or even a home office set up. This family home on 601m² allotment is low maintenance and has been well maintained over the years. The home could benefit from a few special touches and updates which are sure to add value to your future investment. Ideally located to both private and public schools, leisure center and easy access to local shops and airport. Lock up garage with carport for 2 more cars and side drive for additional parking. Arrange an inspection today.
