If you're in the market for a generous family home that won't strain your budget, this four bedroom gem might be your dream come true. This well maintained residence, built around 1978, offers ample living space for you and your young family. The heart of this home is its stunning kitchen, equipped with gas cooking, a sizeable oven, stainless steel range hood, overhead cupboards, and a convenient fridge recess. The kitchen seamlessly flows into a welcoming meals area, providing an open and inviting space for family gatherings. But the real highlight is the expansive games room, which boasts a built-in bar and a magnificent wood heater. This versatile space is perfect for kids to have their own play area or, if you prefer, it can easily accommodate a pool table. Either way, this room is designed to cater to your family's unique needs. For those seeking a bit of separation, the sunken lounge provides a secondary living space, ideal for quiet moments or entertaining guests. Additional features that enhance your comfort include ducted air conditioning for those scorching summer days and a gas bayonet for efficient heating during the colder months. You'll also appreciate the security screen doors and windows. Step outside, and you'll find a patio area, perfect for outdoor relaxation, while the garden enjoys the benefits of reticulation and a bore system. There's a carport for convenient parking, a garden shed for storage, and an extra space to park a trailer. Situated on a 682sqm block (approx.), this home is conveniently located near schools, shops, public transportation, and parklands. With all these features, this quality home won't stay on the market for long. Don't miss out; make your enquiry now because this fantastic opportunity is bound to be snapped up in no time.
