10 minutes to the CBD, 10 minutes to the ocean, is there anything else you need to know about Kalkie? This specific property is also positioned next to a large grass area and playground and moments from Kalkie and St Lukes School, making the area highly sought after outside the forementioned conveniences the location offers. The home itself requires TLC, and has the following to build off of: - Partially fenced 756m² block - Highset on mostly steel stumps - downstairs is a dirt floored blank canvas - 2 bedrooms with built in robes, the main has access to the balcony - L shaped, open plan living, dining and kitchen - Corner kitchen is G shaped with an upright electric range - Laundry is at the top of the back stairs - Bathroom has shower and vanity while the toilet is off of the laundry - Full width balcony to the front of the home This property could be a brilliant starting point in a fantastic location for those looking for a renovator. For a more in-depth look, call, text or email Ainsley Driver and Zak Wright for more information, or to book a viewing!
