29 Gardner Road is perfect for that tree change, just over 5 acres with multiple sheds, paddocks and a dam. The home has 4 bedrooms, 2 bathrooms and good living space. The lounge has a combustion fireplace, floating timber floors and built in shelving. The kitchen has good storage and bench space with both formal and informal dining areas. The bedrooms all have ceiling fans and built-in robes with the master having an ensuite and walk in robe. There is a large covered entertaining area at the rear of the home. The shedding is everything you could dream of with an office and storage shed, standard garden shed, up the yard to a huge 24 x 7.5 shed with high opening doors, 2 x mezzanine areas, a second laundry, store room and shelving. There is solar electricity on the shed that supplies the home and shed. The list of extras are Three phase power to the house and shed, ducted air conditioning, round yard, 7 paddocks all with town water, wash bay and round yard. Freestanding double garage for vehicles, solar hot water to the house. Great location only 15 min to Nowra and 10 min to South Coast beaches. For an inspection, phone Linda Edwards 0403 437 266.
