The very private facade sparks immediate curiosity. Upon entrance the warm timber tones combined with the internal feature brick wall invite you into an open kitchen/living/dining one, large enough for a big family. Adjoining the living area is an A frame undercover entertaining area, perfect for gatherings all year round. Master bedroom is light filled with mirrored built in robes, two other bedrooms with built in robes, central bathroom has been renovated. The ducted heating and cooling makes the home comfortable in all seasons. A great shed/garage provides room for storage or perfect as a workshop. Tucked away and sitting on a 750m² there is also possibility to create access through lane way.
