Boasting two combined but distinct residences on the one allotment, perfectly set up for the extended family or entrepreneur looking for broader investment options. Wrapped by sunset gardens, this property utilises glass and a favourable orientation to maximum effect as it takes in pleasant poolside aspects. The indoor-outdoor divide collapses as sliding doors translate interior domains onto the picturesque poolside terrace. In the main residence, a formal living zone & dining room offers classical comfort, joined by functional elements including stainless-steel appliances, a full-sized laundry, living room fireplace, and central cooling. Perfect for multi-generational living or as an Airbnb, the second residence performs far from a secondary role. Widely appointed with an integrated living & dining domain overseen by a proudly finished kitchen, floor plan features include laundry, sizable primary bedroom with a jack-and-jill ensuite, and a second bedroom with BIR and study/WIR & and central heating & cooling. This is the perfect lifestyle choice for larger families or those seeking to supplement their mortgage with an additional income flow. Neighbouring Royal Melbourne Golf Club in one of the Bayside's most prestigious pockets, walk to Cheltenham Park Reserve and Mentone station, take advantage of an area that places Cheltenham station village, Southland SC, Beaumaris shops, and leading local & private schools within easy reach.
