Nestled on just under 10 acres, this property offers a serene haven with good fencing and a reliable dam, perfect for accommodating your livestock. The sturdy 4-bedroom double brick home provides a welcoming retreat, featuring an open living area with a central wood heater, reverse cycle air conditioner, and high cathedral ceilings. The spacious kitchen boasts electric cooking, while two bedrooms and a family bathroom are conveniently located downstairs. Upstairs, two additional bedrooms lead to a charming balcony. Completing the package is a single garage or workshop space, adding to the practicality of this idyllic property. Discover the perfect blend of relaxation and countryside living in this charming abode.
