North facing and drenched in sunlight 29 Henry Lee Drive, a spacious and thoughtfully designed dream home for entertainers and families. Occupying a generous elevated block in a quiet location, this country coastal home has been designed with ease of family living in mind. The stylish kitchen is the central hub, with a neutral colour palette and a large breakfast bench, huge pantry, gas cooking and plenty of cupboards. A large open plan living area, incorporating the family room, lounge and dining has plenty of space for all the family and friends, including a lovely northerly deck which opens to the lush green escarpment with never to be built out views. This is the perfect spot to capture the northern sun with a cup of tea and a good book, or a glass of wine and a good friend. The upper level includes four generous bedrooms, all with built-in wardrobes and large windows with charming outlooks from each. The large main bedroom features a sizeable walk-in robe and ensuite. A private study is also on this level, as is the three-way main bathroom, perfect for a family lifestyle. Through glass sliding doors to the rear is a private covered entertaining deck. Surrounded by established gardens, this is a fantastic asset to the home. Being undercover, it blends the indoors and outdoors seamlessly. Bounded by low maintenance gardens that create a private haven, the other half of the yard is taken up by a sparkling inground saltwater pool and a private outdoor shower to the side, inspiring those holiday feelings. This area enjoys all round sun, and gorgeous sunsets. The grassed area is large and level, perfect for children and pets. The ground level of the property adds even more appeal with an enormous double garage with workshop, additional under-house storage space and internal access. Also on this level is the fifth bedroom, complete with ensuite. This room is so versatile, whether it is as a private space for visitors, a teenage retreat, a home office or taking advantage of the Airbnb potential. The 999sqm block allows for plenty of off-street parking at the front of the property whilst not encroaching on the space to the rear, making this property ideal and family friendly in every aspect. A fantastic location, less than one level kilometre from the beautiful Werri Beach, the famous Gerringong Bowlo and Werri Beach Surf Clubs and one kilometre from local business, cafes and markets.
