I am delighted to bring to market this recently renovated, lock and leave home in beautiful Shenton Park. With inventory in Perth at an all time low, your wait is finally over now that this two story family home is available for the next lucky buyer. The property greets you with wrought iron double gates which provides wonderful security without compromising on style. Along with well established front gardens there is parking for one car along with a lock up garage with remote. Light and bright the downstairs has a gorgeous flow and allows for various options of living. An open plan kitchen and dining area allows plenty of room for a large dining table and feature French doors with plantation shutters leading out to a beautiful north facing alfresco. The two minor bedrooms are also down stairs and are both large in size with built in robes. A central bathroom services these rooms including a bath, separate shower and toilet. A large family/living area and be opened up to the kitchen dining for flow or closed off to create a cozy and quiet area. Upstairs features a huge master suite with ensuite, walk in robe and a private balcony perfect for early morning coffee or late night gin... whichever is your preference! Unbeatable location close to everything you want... schools, shops and parks! Be quick, this one will not last long.
