Nestled in a sought-after neighbourhood, this single-level brick veneer home exudes charm and potential. Impeccably neat and tidy, it offers a perfect blend of comfort and convenience, ideal for both downsizers and families. Upon entering, the cosy living room with fireplace provides a perfect space for relaxing evenings. The kitchen, which opens to a dining area, is designed for ease and functionality, while a large rumpus room, separately zoned, provides ample space for family activities or entertaining. The home boasts four well-sized bedrooms (or three bedrooms plus a study) including a particularly spacious and bright master bedroom. The family bathroom with separate toilet, along with a laundry room, adds to the home's practicality. Outdoors, a generously sized yard with mature landscaping provides a delightful space for gardening, entertaining, or relaxation. The property is immediately liveable, with the option to modernise with a minor makeover. Conveniently located moments from premium amenities, including Doncaster Primary and Secondary Schools, Westfield Shoppingtown, a selection of parkland, Eastlink, and efficient city transport options, this home offers an unparalleled lifestyle of ease and accessibility.
