\$690,000

This very attractive solid brick home with three bedrooms and two bathrooms is awaiting a new family to call it home, situated in the exclusive suburb of Desert Springs. The property is set back from the road, behind an immaculate native front garden, double carport and large expansive driveway. The lounge is enormous with enough room for additional dining, it is carpeted and is serviced by reverse cycle ducted air-conditioning and a ceiling fan. There is also a glass sliding door leading to the peaceful undercover entertaining area and beautifully presented backyard, there is also an access gate that leads out to Lewis Gilbert Park so there are no rear neighbours! Adjacent to the lounge room is the spacious open plan kitchen/dining area that has a gas stove cooktop and oven, dishwasher, large pantry, and ample additional storage. There is a breakfast bar for the quick meal that adjoins the dining area to cater for more traditional dining. All three bedrooms include built in robes, air conditioning, ceiling fans, lush carpets and modern blinds, with the master bedroom inclusive of a great ensuite and a large built-in "His & Her" robes. The main bathroom is modern and has a shower over bath arrangement, toilet and vanity. Cleverly designed with the two minor bedrooms being located at the opposite end of the house, so everyone enjoys their privacy. All of your energy needs are taken care of, with Solar Hot Water & PV Solar. • Fully reticulated bird attracting native garden, with approximately 22 different bird species having been sited • Established orchard • Full security lighting and "CrimSafe" installed to all windows and doors throughout • Deadlock doors • Ducted A/C - 2 zones The current owners say... " We love how peaceful this home is, the beautiful neighbourhood and the view of the Eastern MacDonnell Ranges". To book an appointment phone Toni or Drew today 0403 201 653.
