Beat the crowd to this gorgeous Art Deco home with remodeled kitchen and bathroom AND a self-contained, separate-metered studio downstairs. Throw in the lovely permaculture gardens on a 620m<sup>2</sup> block and you have everything you could want in a close-to-town property. There's the added convenience of near proximity to the Lismore Base Hospital and the Lismore Shopping Square, whilst retaining a large degree of privacy through position and the gardens. Set in a tree-lined street this charming and original 1920's home will delight lovers of the architectural style. Beautifully maintained and sympathetically updated for those creature comforts, the home comprises 3 bedrooms plus two sunrooms, one bathroom and kitchen with separate dining and living spaces on the upper level, and a very private fully self contained studio (1 bed 1 bath 1 kitchen/living) downstairs. The polished hardwood floors throughout as well as high patterned ceilings, 20's coloured glass windows & the decorative cornices and openings are indeed special features and create a charming ambience. Being fully fenced the pets or young children are catered for. There's loads of storage space as well as a garage, and the 'green credentials' are fabulous. Not only are the permaculture gardens quite special boasting 13 fruit trees and a great chicken-run, but there's a large solar system and a combustion fire to add to your dreams of self-sufficiency. Sound interesting? Check out the gallery of photos and see what's on offer... Also check out the Open Home times. You'll want to see this one.
