Perfectly positioned in a family friendly neighbourhood and occupying a generous 718m² block this home offers endless opportunities for the savvy buyer. Whether you are looking for your first home, another property for your investment portfolio or ready for your new family home, look no further. The low set brick home offers easy open plan living, dining and kitchen with new carpet and hybrid flooring throughout. From the living/dining areas we direct access to the huge 16 x 4 covered patio just ideal for having a quiet wine or beer and ample space for those huge gatherings for birthday parties & anniversaries etc. The kitchen – updated of recent times and has all the modern conveniences you could need including stainless steel appliances, stone bench tops, a large pantry and fridge area, as well as an abundance of storage and bench space. There are four spacious bedrooms. The master has a large walk-in wardrobe and ensuite whilst the remaining bedrooms are all complete with built-in wardrobes and filled with natural light. Servicing the bedrooms is the functional family bathroom with bath, shower, large vanity and separate toilet. Enjoy entertaining all year round, barbecuing with friends under the patio or hanging out by the in ground salt water pool on the artificial grassed, hardwood deck. A large open plan lounge room overlooks the pool and deck, whilst the kitchen and dining area offer a wonderful cooking experience. Leading off the kitchen area is the rumpus room which can be used as an additional bedroom, home office, home business or an additional living space - the options are endless. The laundry, with built in cupboards and plenty of bench space has access to a 9m retractable clothesline. Accessible from the patio is a large 4.5m x 3.5m store room that offers yet another potential living space/bedroom. A unique air-conditioned soundproof room awaits the next budding musician or is it just begging to be used for family movie nights? With separate access from the house you could even run a business out of it. A large 6m x 6m carport offers not one, not two but three car spaces. There is a huge workshop for the home handyman. The three 3m x 3m back to back workshops have power, lights and water, just ideal for the home handyman – not to mention being position on a corner block, side access for the prime mover, motorhome, boat caravan and trailer. There truly is nothing left to do but move in and enjoy everything this home has to offer. Extras include air-conditioning, a large 6.7 Solar Panel system on the roof, multiple living areas plenty of storage, fully fenced yard with side access, garden shed and inground pool. Combining both quality and convenience, this home is positioned in a family-friendly neighbourhood and close to all amenities including schools, transport, local amenities, Strathpine Shopping Centre and the new USC Moreton Bay University.
