Auction

Buyers with young families looking to school locally on the southside are lining up to secure a home that's zoned for Mansfield State/State High Schools, and this four-bedroom brick lowset not only gets you inside this prized catchment, but it's a cruisy 8-minute walk door-to-door! Highlights:- Large security alarmed lowset on a big, flat block with a wide frontage- Bill-busting solar panels and three water tanks- Light and airy, tiled open-plan kitchen, dining and family living room with A/C & fan- Separate carpeted formal lounge room- Covered alfresco entertaining area with side screens for shade and extra privacy This is an impressive home with an expansive facade that optimises the frontage available, and it's positioned just the right distance back from the street behind trimmed hedges and lush lawn. Capturing views of this attractive streetscape through a series of security-screened vertical windows are the formal lounge and a master bedroom, which sit on either side of a central tiled entrance accessed from a shady paved front porch. Inside, curved archways provide lovely openings into various spaces, including the combined kitchen, dining room and family living area that extends through a glass slider onto a large, covered outdoor entertaining patio. Fan-cooled and with a split system A/C wall unit, this is an all-season, 'cool or cosy' gathering space that will become the focal point for the lucky next family who gets to call this place home. The kitchen is spacious and practical with reams of bench space, a dishwasher and a dual sink. Whether you're prepping a big feast or after-school snacks, the cook can enjoy sweeping views across the patio to a verdantly landscaped, fully fenced back and side yard. Of the four carpeted bedrooms, three have built-in robes while the front-facing master boasts a walk-in closet, A/C and an ensuite. A full family bathroom services the kids and visitors. Car accommodation is in good supply, with a lengthy driveway up to the auto entry double garage providing valuable extra off-street parking bays for visitors and as each teen eventually gets a license and their own set of wheels. Of course, the best thing about this prime location is you won't always need to start up the engines because there are plenty of amenities you can get to on foot including the nearest bus stop on Ham Road (3 minutes), Mansfield State/State High Schools (8), a fab little suburban shopping centre at Wishart Village, with eateries, a pharmacy and other medical services (10), and a playground and BBQ picnic facilities at Berkshire Crescent Park (13). By car, it's a sub-5 drive to the M1 onramp, Mansfield Tavern, and Westfield Mt Gravatt. Be in the running to make this superbly located family lowset your own.
