Ray White Callala proudly presents this charming coastal abode - perfect for those looking to purchase their first home by the sea, or invest in the upcoming area. Nestled behind the established gardens you are greeted with a 2 bedroom, 1 bathroom home, sporting built in robes and timber floorboards throughout. The warm living room unfolds onto the kitchen and dining room - making this the hub of the home whilst overlooking the private and tranquil yard. Enjoy your morning cuppa on your choice of the front or back patio after a short walk to the local boat ramp; or a stroll around the headland. The detached workshop/games room makes for even more storage whilst being able to park your vehicle under the carport at the front.
