An Oakleigh estate of exceptional significance, 29 Logie Street's superb balance of elegance and Arts & Craft decorative detail is matched by the peace and privacy offered by its deep, north-facing backyard. Richly evocative period rooms adorned with ceiling rosettes, engraved cornices and ornamental fireplaces have only become more beautiful with the passage of time. The substantial dimensions and intelligent zoning of the living areas ensure their relevance for modern lifestyles. Along with high-ceilings, each of the three bedrooms comes with substantial storage space. Offering versatility, the formal lounge may function as a fourth bedroom if needed. A solid timber kitchen equipped with wraparound preparation benches leads a list of quality appointments which include premium timber flooring, ducted heating, a full-sized laundry, undercover alfresco, a lavishly finished family bathroom, and a four-car carport with rear R.O.W. Located along one of Oakleigh's finest streets in a historic residential quarter, live within walking distance of Eaton Mall, Oakleigh station, Oakleigh Recreation Centre, and Chadstone SC.
