Located at Maryland, just over the border into New South Wales and yet less than 20 minutes from Stanthorpe on the Granite Belt, this modern brick home will appeal to those looking for a peaceful country lifestyle with rural aspect and a sense of being on large acreage. The home has 3 carpeted bedrooms, all with built-in robes, 1 bathroom with bath and shower, separate toilet, laundry, an open-plan living and dining area with wood heater and reverse cycle air conditioning unit, kitchen with gas cooktop, electric wall oven and dishwasher, and a lounge area with large windows to take in the view across the neighbouring grazing properties. A verandah at the front of the home plus an undercover entertaining area at the rear add to the appeal. The property is a half acre and includes an excellent 4 bay shed with 3 roller doors, plus a garden shed. With rainwater tanks and septic treatment plant, the home is in an historic rural part of the district with about 6 other homes in the Maryland village.
