Sitting on a spacious and level 953sqm block, this charming 3-bedroom home presents a fantastic opportunity to get into the market and live the idyllic village life you've always dreamed of. With a renovated kitchen and bathroom and generous bedroom and living room sizes, the vision is there to add your own touches and make this home your own. Established gardens provide privacy and tranquillity, whilst the home's position lends itself perfectly to extensions in the future (STCA). With schools, parks and shops all nearby, you'll love what this beautiful part of town has to offer whilst still having the luxury of easy access to the beaches of Ballina, Byron Bay and beyond. Don't delay! Schedule your inspection with Troy and Jack from Elders Alstonville before it's gone.
