The residence at 29 Millstream Court Buderim has a strong presence and a brilliant Rainforest Backdrop highlighted by massive volcanic rocks that are a feature of this part of Buderim known as Waterfall park. Here the trees and the rocks combine to make a natural landscaping that is a statement day and night. Nestled into this backdrop this home is in keeping with the natural feel of the forest. You enter on the ground into a foyer which flows in three different directions. To the right is the fifth bedroom or office if you want to work from home. To the left is a private entry into the main bedroom, spacious with a large ensuite that again showcases the amazing jungle seen through a large wall of glass. Straight ahead takes into the main body of the home with a formal lounge, a casual living area, a large kitchen and access to the very secluded back courtyard and sparkling pool. Also on this level is the fourth bedroom, laundry, a full bathroom and the double garage. So you could live on this level alone and leave the upstairs for guests or children. Speaking of upstairs, here there is a brilliant retreat living area which either of the two bedrooms can easily access as well as a full bathroom for convenience. Diverse buyers for this residence will be anyone that enjoys nature, peace and quiet and a sense of living somewhere special. Large families will love it but also retirees could live on the ground level and have the top levels available for family and friends. This is a special home in a very special setting minutes to Buderim Village and 10 minutes to the Sunshine Coast's best beaches. • 5 bedrooms with robes • 3 bathrooms including large ensuite • 3 large internal living areas • Rainforest views from all of the living zones • Entertainment areas under the tree canopy with deck and pool • Options for dual living • Double lock-up garage and electric gates • 1km to Buderim Village shops and school • 8.4km to Alexandra Headland Beach • 9km to the Myer Centre at Sunshine Plaza
