Welcome to this beautifully renovated Soldiers Hill home, offering modern comfort and style throughout. Step inside to discover three bedrooms, featuring splits and built-in robes throughout for added convenience. Outside, you'll find a large powered shed and double carport, along with an extra single carport, all accessible via an electric gate and roller doors for added security. The heart of the home is the stunning new kitchen, boasting clean whites and fresh marble-look benchtops, complete with dishwasher, oven, and range hood. Feature lighting throughout adds a touch of elegance to the space. The home features new splits, timber floors, carpets, wiring, and curtains, ensuring a fresh and modern feel throughout. The family-sized bathroom offers a shower over tub with classic large grey tiles and a timber vanity. An internal laundry provides great storage and convenience, while a white picket fence ensures the yard is pet-safe. The spacious backyard features low-maintenance gardens and lawns, along with an in-ground pool and undercover entertaining area, perfect for outdoor gatherings. Ceiling fans provide added comfort in the spacious living and dining areas, while the home's proximity to great schools, parks, and even a burger shop adds to its appeal.
