Responding to the family's desires for a stylish haven with space to entertain, along with room to work from home or accommodate the in-law's, this incredible residence provides it all and is the perfect package for the growing family! Highly fashionable, the home's splendid proportions guide you from the entry foyer with soaring high ceiling void, through to a glamorous formal lounge featuring high ceilings, combustion fire and French doors leading out to the front verandah, while bi-fold doors draw you through to the study. Glamorous stone benches and splashbacks grace the central kitchen, adorned with a skylight, soft-close cabinetry, 900mm Robam gas cooktop, Robam rangehood, Fisher and Paykel oven, Panasonic microwave, Bosch dishwasher, island bench plus a huge walk-in pantry. Awash with northerly sunlight, the living and dining zone offers a bright ambience, interlinking with the outdoors with sliding doors opening out onto an alluring alfresco zone with curved roofline and decking underfoot, accompanied by the backyard. Upstairs, a bright retreat with cathedral ceiling and storage cupboards presents the perfect space for private relaxation or study, linking out to a beautiful balcony, while a self-contained bungalow is configured to provide excellent accommodation for in-laws/teens, whilst also presenting a fabulous work from home option. Encompassing a living zone with kitchenette and mezzanine storage, bedroom fitted with cupboards, bathroom with toilet and split system heating/air conditioning. Continuing the family accommodation, the home offers five spacious bedrooms; four with built-in-robos, including the master bedroom with walk-in-robe and floor-to-ceiling tiled ensuite featuring a heated towel rail. Supplemented by a bathroom with toilet, family bathroom with toilet plus a laundry with stone workbench and access to the sheltered outdoor clothesline. Further enhancing the comfort of the home, you'll find ducted heating, evaporative cooling, split system air conditioning, CCTV cameras, security alarm, 5kw solar panels, three phase power, water tank plus a wide tandem garage with rear roller door. Positioned to please with placement close to Forest Hill Chase, Aqualink, Blackburn Lake Primary School, Mount Pleasant Road Primary School, St Thomas the Apostle Primary School, Blackburn Lake Sanctuary, convenient bus routes and Nunawading Train Station.
