A capacious dwelling offering unexpected space, this cutting-edge three-level terrace epitomizes the essence of contemporary and expansive living, featuring an excellent layout for entertaining. Situated within the esteemed 'Huxley Terraces,' this sunlit abode provides a superbly low-maintenance property with newly appointed interiors, substantial dimensions, and an intuitive layout centered around an internal garden courtyard.- It is exceedingly rare for a terrace of this size to become available- A flowing floorplan with separate lounge room and dining area- Level access to a central courtyard for outdoor entertaining- Three generous sized bedrooms on the upper level- Internal access to an auto double garage plus stacker car space- Superb gourmet kitchen fitted with high end gas appliances- Private balconies with lush views over the complex grounds- Versatile rumpus room/dual living area ideally on the lower level- Free access to heated indoor swimming pool, gym and tennis courts This exceptional home is enhanced by its desirable lifestyle location in the very heart of Jacksons Landing, surrounded by parklands and within strolling distance to local cafes and waterfront walkways. It is ideal for owner occupiers, a low-care investment, or a scale down opportunity.
