This is a description of a beautiful 3 bedroom home located in Stonehill Estate, which is conveniently situated near local amenities such as a park, new Maddingley Village shops, doctors, chemist, and a golf course. The bedrooms are of good size and include built-in robes, ceiling fans, and are serviced by the main bathroom, with the master bedroom having a walk-in robe and ensuite. The kitchen is modern and has stone benches, a 900mm oven, and a dishwasher, and opens to an open plan dining and living area with block-out blinds and ceiling fans. The living area leads out to a decked area with a fireplace, patio blinds, built-in storage cupboards, and is perfect for year-round entertaining. The property also features a large 8m x 5m shed with 3m high walls, concrete, 15amp power, and a mezzanine. There is also an extension of a 3m x 3m section, and the 4.5m wide driveway from the drive-through access out of the double remote extra-large garage is ideal for car enthusiasts. Other features of the home include ducted heating, split system cooling, low maintenance gardens, a 200mm concrete shed slab, and a separate fenced backyard.
