With a stunning amount of space on a 4001 sqm (approx.) scenic block, and immaculately renovated over the most thoughtful of single levels, this 4 bedroom + study, 2 bathroom residence is the family home of your dreams amidst a tranquil Park Orchards setting. High angled ceilings and a brick feature wall with a wood fireplace are the defining features of the formal lounge and dining zone, with the brick wall giving separation to both rooms. A spacious and bright office is your ultimate work from home space, and has direct access to the extra-large double garage which also gives you plenty of storage space. A generous sunken family room with wet bar and wine storage, plus a dedicated casual meals area, make up the impressive central living zone, which also includes the mesmerising kitchen showcasing 900mm Smeg oven and cooktop plus a double Schock sink, elegant stone, and amazing soft-close storage. The master bedroom is bathed in natural light and offers breathtaking tree top views, as well as walk-in robe storage and a stylishly renovated ensuite with twin vanity, rain shower, and a share of the magnificent views. The family bathroom promises a freestanding bath and floor-to-ceiling tiling, and is easily accessed by the other 3 bedroom with BIRs. Outside is just as appealing as inside, with an enormous covered entertainer's deck with ceiling fans offering memorable views and a place to have weekend dinners with friends and family, while gorgeous landscaped gardens and a large solar heated pool cap off the outdoor delights. Other property features include a generous laundry, ducted heating, evaporative cooling, timber-look tiling, quality carpet, secure alarm, automatic blinds throughout, bird house in the garden, and added carport parking. There is additional space at the front for a large trailer or boat, while an enormous shed at the back could also fit a boat or be used as a huge workshop. The space this home offers everywhere is memorable, and is an aspect you'll love about this property! Moments to Whitefriars College, Donvale Christian College, Park Orchards Primary School, Norwood Secondary College, local shops including Park Orchards Market, Eastland Shopping Centre, The Pines Shopping Centre, 100 Acres Flora and Fauna Reserve, Mullum Mullum Trail, buses, and Eastlink.
