\$3,000,000

We are extremely privileged to bring to market one of the finest homes in our area. OH Architecture are the creators of this absolutely stunning residence that occupies an elevated block that capitalises on breathtaking north-east views. If you love high end architecture, a sophisticated yet practical design and quality fixtures, this amazing home would be well suited to you. This is a rare opportunity to inspect one of the finest homes in our marketplace prior to being officially launched for sale. Features Include: - Expansive living & dining areas upstairs offering breathtaking views - Intimate lounge area complete with internal fireplace - Complete privacy from all aspects - Presents as brand new with quality fixtures & fittings - Level yard - Pool - Outdoor kitchen- Three car garage - Storage throughout This has been a labour of love for the owners of this quality home that now have reluctantly decided to move to another project. Call for additional information.
